- * Black and other colours
- * 500 mm width
- * Europallet (80x120) or block pallet (100x120)
- * No tearing
- * High holding force
- * Low consumption per pallet
- * Enhanced appearance (high clarity)
- * Suitable for wide range of machines and machine settings

Product type	High strength	High puncture resistance	High elongation	High holding force	Extra thin	Low consumption	Stretch range
ST180	++	++		++			50-180%
LL250	+++	++	+	+++		++	150-250%
HL300	++	+	++	+	+	+++	200-300%
NT350	+++	++	+++	++	++	+++	200-350%

Nano films – improved properties

- * Combination of 7 raw material ingredients
- * Higher elongation, higher strength
- * Lower cost per pallet
- * Higher consistency – lower tolerances
- * Stable quality
- * Better holding force

17 micron 180%

35% less film
per pallet

15 micron 280%

Customer first
